

# Camp for Oppositional Architecture 2006

## Theorizing Architectural Resistance

10–11 November 2006

# Casco

Open call for papers on opposition  
within the field of architecture  
and planning:

[www.oppositionalarchitecture.com](http://www.oppositionalarchitecture.com)  
organized by An Architektur

How to criticize the demands  
of a capitalist production  
of space?

How to resist and oppose  
the social order from within  
the profession?
